

ANNOYING NOISES?

Here is the solution

We introduce you an **OUTSTANDING SENOR** product

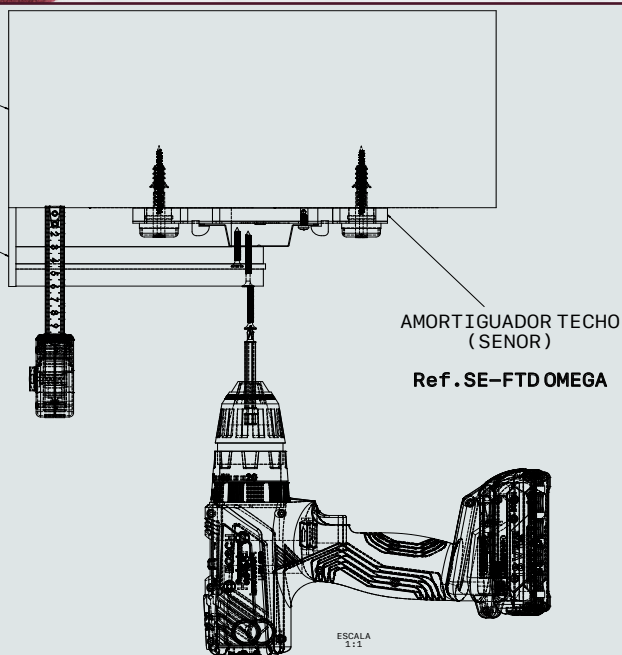

TO KNOW MORE

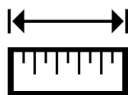

The **FTD OMEGA** is thinner than other wall mounts and the installation is easy, so you can build ceilings and wall lining systems with a little effort.

FTD OMEGA offers the highest level of soundproofing possible.

FORJADO
 BURLETE EPDM CR-130 (SENOR)
 Ref. SE-BEC 5x60

The **FTD OMEGA** provides an improvement of **12 dB**, reducing the emotional stress caused by noisy neighbours.

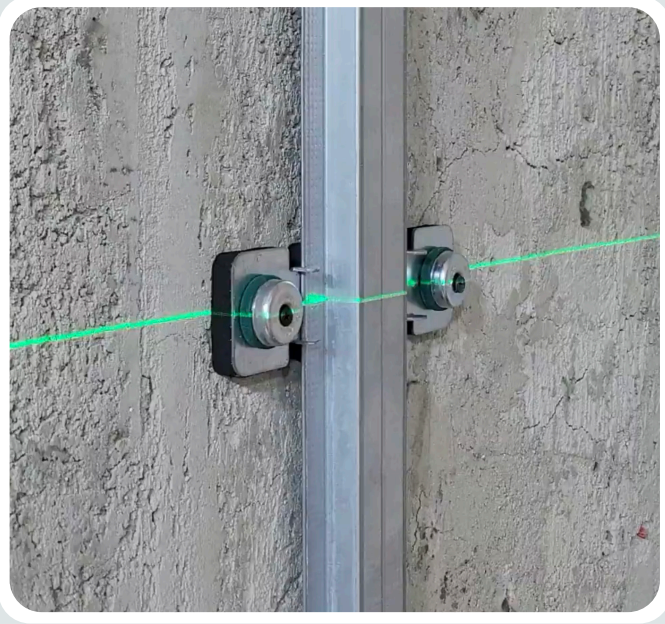

The **slimmest** acoustic wall mount. If you have small rooms and you don't want to lose much space with **FTD OMEGA** you will need only **6 cm**.

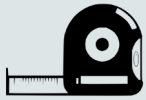

With **FTD OMEGA** you will create peace and quiet in your home. This product has been tested in a certified laboratory: **TECNALIA**
